PERSONALITY TRAITS

Feeding

Your puppy's meal should be well spread out to avoid stretching their bellies. Food bowls need to be the appropriate size and should be kept in the same location every feeding so your puppy can easily find them.

NAME/ID MICROCHIP#

BRAND OF FOOD:

CAN BE PURCHASED

.....

.....

Please do not change your puppy's food abruptly. Doing so will likely cause an upset digestive system. If you would like to change your puppy's food, do so gradually over a number of days.
